**Archna Haylock**  
Community & Projects  
[archna@opencompute.org](mailto:archna@opencompute.org)

Connect. Collaborate. Accelerate.

**OPEN**  
Compute  
Project®

A collaborative **global** community focused on redesigning **hardware, software and system management solutions** to efficiently support the growing demands on compute and **telecom** infrastructure.

Connect. Collaborate. Accelerate.

# Who are we?

The OCP Foundation is comprised of 10 individuals

Rocky Bullock  
Chief Executive Officer

Archna Haylock  
Director  
Community

Steve Helvie  
Vice President  
Channel Development

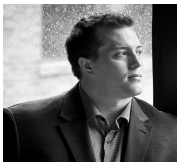

Bill Carter  
Chief Technology Officer

Dirk Van Slyke  
Chief Marketing Officer

Rajeev Sharma  
Director  
Software & Technologies

Michael Schill  
Manager  
Community & IT

Kate Hendle  
Events & Marketing  
Specialist

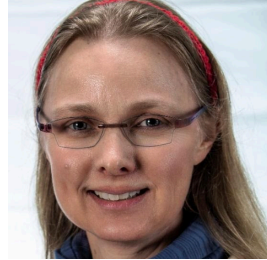

Kali Burdette  
Manager  
Meeting & Events

Nick Bullock  
Director  
Finance

# OCP is truly open for all !

Join us @ OCP Global Summit November 2021, San Jose

Download a Spec, Design Package, White Paper, Guidelines, etc. on the OCP Contribution Database

Check out an OCP Product or Facility on the OCP Marketplace!

No Membership or Passwords required for any of the above!

# For more info:
