Sponsor cannot assign any rights under this Agreement without the prior written consent of the OCP Foundation; any unauthorized assignment is null and void. This is the entire agreement of the parties and cannot be amended or changed except in a writing signed by both parties.
13. GDPR Policy. OCP will treat all information you provide in accordance with the OCP Privacy Policy posted at <http://www.opencompute.org/privacy/>. 14. BADGE SWAPPING: Badge swapping and/or trading is strictly prohibited at OCP events. Attendees must wear their badge and wristband at all times on the event premises. Any attendee caught without a badge or wristband, will be escorted to registration to show an ID and charged a reprint fee if the badge cannot be found. If caught wearing another attendee's badge or leaving the premises with multiple badges with the intent to distribute to other attendees, all badges will be confiscated, and this person may be removed from the event. OCP keeps historical records of companies and sponsors who are regular offenders of badge swapping. OCP reserves the right to deny attendance, sponsorship, and speaking opportunities to any individuals or organizations that do not abide by OCP event regulations.

In witness whereof, the parties have caused this Agreement to be executed by their duly authorized representatives.
